# Portland, Deering In Gridiron Feature Tonight; 8 Other Tilts

## Portland-Deering Goes On, De

Tonight's Portland-Deering clash at the Portland High Stadium, an expected ragged but rugged affair, is the focal point of a nine-game statewide schoolboy slate. The local "natural" is due at 8 o'clock.

Chief upstate game, which rates more than a side glance in this area because of the season's future it may hold in store for greater Portland pretenders for state laurels, is the Lewiston-Angor scrap at the latter site. The Blue Devils opened with a 2-0 rout of St. Dominic's of Lewiston. The usually powerful Rams reportedly are fielding a burly sub in their opener.

## Allen Paces Ram Harriers To Win

Sports victories have been mighty scarce at Deering High School in recent years, but Wednesday afternoon the suburban school got one, and by the widest of margins. Ralph (Buck) Harvell's Purple cross country plodders romped to a triumph over Lincoln Academy of Newcastle by a "perfect score" of 15-48. The run, which opened the Rams' season, was over their own 2 1/2-mile suburban course.

Bruce Allen, a junior out for cross country for the first time, paced Deering to its win. He toured the course in 13 minutes and 36 seconds, just one minute off the record for the Deering la-

## Deering Bowlers Shade Houlton

The first intersectional match ever for a Deering High bowling team won the suburban Purple a trophy for its athletic room, the Portland Hammer Club cup, when the suburbanites plucked off a veteran Houlton High five at the State of Maine Alleys in Scarborough by exactly five strings, 2,195 to 2,190. The thrilling was the match outcome depended on the ball of the final box string.

The trophy actually went to Deering's Fred Gorham, a sensational 132 in string, but he said for the school as he from the Hammer Club representative, Attorney N-

# OUR DEERING

"Twas long years ago that our Deering  
Was weak and little, you know;  
But, having a purpose unveering,  
She stronger continued to grow.  
Now she is high and deserving,  
Respected and honored by all;  
May we be as faithful, unswerving,  
And true to what duty may call.

Altho' in these halls may be sounding  
The footsteps of others some day,  
And many dear friends here surrounding  
May be in some land far away,  
Memory always will cherish  
The bright happy days that are past;  
Devotion and love will not perish,  
But cling while Life's journey shall last.

Deering, Deering, all unto thee we owe,  
Deering, revering, blessings we bestow;  
Fonder, ponder, pledging thee anew!  
Where'er we wander, we love thee true.

# DEDICATION

Miss Winnibel Gower, a stimulating and loyal friend, was loved and respected by the faculty and students of Deering High School. Librarian of uncommon talent, her helpfulness and sound judgement made her at once both tolerant of others and effective in the administration of her work. A person of unusual breadth, she was eager in the acceptance of new trends and generous in her willingness to examine all philosophies for the good that they might contain. Miss Gower, esteemed for her honesty and loyalty, has left, through her association with Deering High School, a lasting impression on the school.

To her memory—this Year Book is dedicated.

This edition of the Amethyst portrays the considerable variety of activities which typify a modern comprehensive high school. No student participates in all, but each one takes part in some of them. Their range is sufficiently great to cover the demand for personal development and individual pleasure. Most of these activities require a great measure of cooperation and herein lies their greatest benefits.

I hope that in your years of study that you have acquired the skills most useful for your future and that you have also developed this true spirit of unselfish, cooperative enterprise.

The need for it is forever with us. The long and honorable traditions of this school rest upon such a foundation. May your experience here serve you well whatever you may do.

# LOG OF '52

In the fall of 1948, the Senior Class of 1952 entered Deering as Freshmen. Under the guidance of Newton Churchill, as president, Robert Gardiner, vice-president, Robert Huff, secretary, Lawrence Kindbom, treasurer, and the executive committee composed of Allen Lewis and Nancy Packard, we held our first social event, the Freshman Reception.

Our sophomore year was led by Nancy Packard, president, Leanne Hawks, vice-president, Florence Hildreth, secretary, Robert McAfee, treasurer, and the executive committee consisted of Judy Blumanthal, Dennis Dougal, and Thomas Edwards.

Dennis Dougal presided our Junior year, with Judy Blumanthal, vice-president, Carole Thompson, secretary, Robert Skillins, treasurer, and Robert McAfee, Leanne Hawks, Peter Peterson, on the executive committee.

Through our four years at Deering the class of 1952 was well represented in Deering's sports and activities. Outstanding varsity football players were Peter Peterson, Charles Kilbride, Allen Lewis, Les Peterson and Johnny Goodie.

The baseball diamond was well placed with such stars as Wayne Brown, Robert Gardiner, Freeman Dulac and Dana Levitt.

Basketball proved such outstanding players as Bill Whitmore, Freeman Dulac, Norman Bomberly and Lawrence Kindbom.

In our four years at Deering, the girls' sports brought home winning teams in field hockey, swimming, basketball, and softball. Playing on these teams were Carol Fletcher, Joan Levine, Carole Thompson, Judy Blumanthal, Mary White, Florence Hildreth and Diane Simpson.

Our year-book, the *Amethyst*, consisted of many hard-working classmates. Our Editor, Bruce Henderson, had much needed help from Valerie McMennamin, Ann Crosby, Alvin Morrison, and many others.

Seen cheering for Deering at all the games were the cheerleaders, Bruce Henderson, Dave Webb, Jacqueline Halle, Carole Thompson, and Diane Simpson.

Editor of our school paper, the *Ramblings*, was hard-working Louise Young.

Our senior year and final year at Deering saw Allen Lewis elected president, Nancy Hubbard, vice-president, Mary White, secretary, and Robert Gardiner, Leanne Hawks, and Peter Peterson on the executive committee.

As we leave the halls of Deering on graduation day, every individual classmate will always remember the good times we have had during our four wonderful years at the school. We extend to our teachers our appreciation for all their help, and to our adviser, Mr. Smith, for his understanding and co-operation.

Respectfully submitted

# LOG OF '53

In September of 1949, a class of bewildered, eager Freshmen entered the hallowed halls of Deering High School. This class was not like any other; it was our class.

As Freshmen we were under the capable leadership of *Prexy* Fletcher Means, *Vice President* Marilyn Lounsbury; *Secretary* Robert Gamble, *Treasurer* Jack Reynolds, *Executive Committee members*, Shirley Chilcoat, George Crockett, and Judy Miller.

By the time we were sophisticated Sophomores, Ted Kurtz was our *President*; Dave Goodwin, Our *Vice President*; Margie Panetti, *Secretary*; John Andrews, *Treasurer*; Sally Neilson, Pete Profenno, and Jim Smaha *Executive Committee Members*.

In September 1951, we proudly took our place as upper classmen. Leading our class, we find John Andrews, *presiding*, assisted by Fletcher Means, *vice president*, Lenny Nelson, counting the money, Merle Royte, writing our secretary's report, while Dave Goodwin, Teddy Kurtz, and Dave Lewis are executives on the committee.

This year we all are very proud of the fact that so many of us participated and excelled in so many activities. Eleven of our boys made the Varsity Football squad; Fletcher Means, Glen Goffin, John Andrews, Jim Smaha, Jack Reynolds, Bob Roast, Don Barnes, Cedric Porter, Ralph Young, and Dave Lewis. Basketball claimed Teddy Kurtz, Bob Johnson, Dave Goodwin, Bob Roast, Jack Reynolds, and Jim Smaha.

In the Spring we found Dave Goodwin, Robert Roast, Ced Porter, Jim Smaha, Don Barnes, and David Vaughn hitting home runs in baseball.

The Junior Class even excelled in talking. Yes, we found Lenny Nelson and Stuart Cope talking their way to honors at the Bowdoin debate.

Meanwhile, Dave Vaughn, Bruce Allen, George Crockett, Gabe Walker, and Bob Gamble were talking the shoe leather express around Deering every afternoon.

However, let us not forget the fair sex. Mary Jane Thomas, Gail Harding, Becky LeKouses, Jan Richardson, Janet Kimball, Ellen Thompson, Jean Walker, and Judy Gulian showed their capabilities in basketball as well as field hockey.

In swimming we find Ellen Thompson, Sue Mersky, Jean Walker, Virginia Posner, Judy Gulian, and Lois Weinstein.

The varied talents of the class of '53 have been displayed in such organizations as The Band, Orchestra, Red Cross, French Club, Camera Club, Glee Club, Cadets, and cheerleading.

We wish to thank Mr. McCann for his help with and his understanding of our problems.

We look forward to a Senior year which will be as enjoyable, worthwhile, and successful as our Junior year.

Respectfully submitted,  
Merle Royte, Secretary

# NOTES ON THE COUNCIL

The Student Council began a very successful year by electing Denis Dougal, *President*. Other officers elected were: Bruce Henderson, *Vice President*; Nancy Hubbard, *Secretary*; David Webb, *Treasurer*; Janet Kimball and Fletcher Means, *Clerks*; and William Clark, *Sergeant-at-Arms*. The faculty adviser of the Student Council this year is Mr. Warren Strout.

The first project of the year was the successful Community Chest Drive.

On November 13 and December 1, Deering was host to the Maine State Student Council Convention. Mr. Strout and the Council with the cooperation of the students worked very hard to make the first two day convention a success. At this time Janet Kimball was elected treasurer of the Maine Association of Student Councils.

With Roberts Lanigan as chairman, the Council made the Christmas season a bit more cheery for a needy family with a Christmas basket.

In order to brighten the weekend after Mid-Year exams, the Council sponsored a Leap Year Dance.

The Student Council scrapbook containing all school events from 1946 was under the capable direction of Jeannette Crain and Mary White.

Handbooks telling of Deering's activities were distributed to the freshmen by the Council.

The Council also had charge of chartering buses to Deering's out of town athletic contests.

The Student Council is one of the most important organizations in Deering because it promotes the general welfare of the school and its students by sponsoring worthy ideals of self-government.

# OUR BAND

This year, under the capable direction of Mr. Joseph L. Gaudreau, with the assistance of Mr. Clinton W. Grafham and Col. Karl V. Palmer, the band has, in keeping with its high standards, completed another successful year. During the football season, the band played and drilled at all the games and participated in many concerts. The annual Band Concert, held March 4, was looked forward to by all and was, as always a huge success.

The band is supported financially by the Band Mother's Club. The officers of the organization for 1951-1952 were: Charles Turner, President; Florence Hildreth, Vice president; Priscilla Shaw, Secretary and Student Council representative; Louise Young, Treasurer; and Janet Hall, Attendance Officer.

# OUR ORCHESTRA

Under the direction of Joseph L. Gaudreau and Clinton W. Grafham, and supported by the entire student body, the Deering High School Orchestra has remained one of the best in New England.

The officers elected for the 1951-1952 year were Thomas Downs, President; Jane Wardwell, Vice President; Roberta Lanigan, Secretary; Cornelia Douglass, Treasurer; Gloria June Davis, Attendance Officer; and Janet Gullifer, Student Council Representative. The orchestra is supported financially by the Orchestra Mother's Club, whose efforts have earned our well deserved praise.

# THE DRAMATIC CLUB

The Dramatic Club of 1952 met in September and elected the following officers: Mary Lou Splane, president; Dean Cushman, vice-president; Nancy Pentz, secretary; Tom Cameron, treasurer; and Betty Mc Fee, student council representative.

Due to the temporary absence of Mrs. Gulliver, the Thanksgiving play of 1951 was directed by Mrs. MacDonald, who turned out a superlative production. Mrs. Gulliver returned at the half-year to direct the Senior Class Play in her competent way.

Let's give credit, especially to Dean Cushman who has, as stage manager, designed such outstanding sets.

The Dramatic Club was to have had a Christmas Assembly, but it was cancelled because of a bad storm. The thespians worked diligently all year and rehearsed the annual Easter Pageant which they planned to present at a school assembly.

# THE BOYS' CADET CORPS

Upholding the Deering tradition of a fine military organization this year has been the Cadet Corps with Colonel K. V. Palmer and Major Linwood S. Elliott as instructors. This year, the boy cadets had as their capable leaders, Colonel Ronald Tripp and Lieutenant-Colonel Arcadius Pearson and his battalion staff headed by Major Richard Alexarder.

All practicing and drilling which goes on during the fall and winter prepares the battalion for the annual Cadet Drill and Ball in the spring at the Exposition Building. The Drill and Ball consists of a Regimental Formation, Competitive and Special Drills, and the Evening Parade Ceremony made up of the combined battalions of Deering and Portland high schools. Also at the Cadet Ball, commissions are awarded to the officers, a cup for the best company, a cup for the best battalion, a medal for the best cadet, and a medal for the best line officer. The battalion has also participated in parades and other civic events.

Regimental Commander and Executive officer for both schools was Ronald Tripp, Colonel and Lt. Colonel Robert Cousins, both of Deering.

# THE GIRLS CADET CORPS

The Cadet Corps, the oldest organization in Deering is under the competent supervision of Colonel Karl V. Palmer and Major Linwood S. Elliott.

This year the girl's battalions of about two hundred girls are headed by Betsy French and Marilyn Moore and their staffs.

This military organization participates in Memorial Day services and parades; they usher at lectures, games, and concerts.

The high-light of the year is the annual Cadet Drill and Ball with Portland High — a tradition for sixty years.

This program consists of Regimental Formation, Competitive Drills, Special Drills, and the Evening Parade Formation with music by the Band. At this ceremony awards are presented to all officers, a cup for the best battalion, a cup for the best company, a medal for the best officer, and one for the best cadet.

H-Y Officers

The first project of the Deering Hi-Y Club was a hold-over from the preceeding year. The club paid the bills for Newton Churchill, this year's president, during his trip to Cleveland, Ohio, to attend the National Hi-Y Congress. Other officers who wished they could have gone on this summer jaunt were Bob McAfee, vice-president; Denis Dougal, secretary; Alvin Morrison, treasurer; and Laurence Kindbom, corresponding secretary.

The club's first new business was the selling of Hi-Y programs at the Deering-Portland game Thanksgiving Day. This gigantic project is carried on jointly with the Portland Hi-Y Club and the profit split between both clubs. This profit and the proceeds from the colorful Sno-Ball Dance promoted by Hi-Y are the money making programs of the club. This money is given to such organizations as the March of Dimes, The National Heart Drive, and The World Youth Movement. Hi-Y also sponsors a Christmas basket for a needy family each year. This year's basket consisted of a full course turkey dinner for a family of seven.

The Hi-Y Club would like to congratulate Diane Simpson, this year's Sno-Queen at the fifth annual Sno-Ball Dance, and Alvin Morrison, club treasurer, who was elected president of the 1952 Hi-Y Older Boy's Conference to be held in Bangor next year. Hi-Y also wishes to thank the student body and the faculty for their support throughout the past year, and the club hopes that their present will be useful in future years.

Tri-Hi-Y Officers

The Deering Tri-Hi-Y has been in existence for five years. This club is affiliated with the YMCA and is open to any girl in the four classes of Deering. Our purpose is to create maintain, and extend throughout the home, school and community, high standards of Christian character.

This year Tri-Hi-Y has made many a noteworthy accomplishment. For Thanksgiving we gave a basket to a needy family, and we also headed the March of Dimes Campaign at Deering, which proved to be very successful.

The club which meets every two weeks is presided over by Valerie McMennmain with Janet Gullifer as Vice President; Carol Fletcher as Secretary; Marilyn Tarr as Treasurer; Judy Gulian as Program Chairman; and Gretchen Stubbs as Corresponding Secretary. Other active members include Ann Crosby, Virginia Gray, Karen Thorsell, Sylvia Mardigan, Margaretmary McCann, Patricia Ryerson, Merle Royte, Jane Lappin, Grace Johnston, Dixie Redlon, Dot Bradstreet, Evelyn Snodgrass, Agnes McAlister, Marilyn Clark, and Judy Bakke.

Mrs. Peter Bogh, who has helped us in Many ways, is our club adviser.

# THE "D" CLUB

Hildreth, Fletcher, Feehan, Mardigan, Peterson, Loring, Wilkerson, Lewis, Gardiner

The "D" Club is, perhaps, the most venerated club at Deering. It is open to those students who have earned their letter in sports. It is through this club that Deering's high standards of sportmanship have been maintained.

The organization, which holds monthly meetings, is noted for its many social events, especially the annual "D" Club picnic. However, the most anticipated event is the annual "D" Club Show in which letters, sweaters, and certificates for excellence in sports are awarded to the boys. The grand finale of this affair features the presentation of the Mayor and Miss Deering.

The girls are presented with awards at the Ram Plaza, one of the most beautiful affairs of the year. They receive, in accordance with their skill in athletics, sweaters, pins, letters, and numerals.

The officers for 1951-1952 were: Allen Lewis, president; Peter Peterson, vice-president; Carol Fletcher, secretary; Florence Hildreth, treasurer; Ann Feehan, Sylvia Mardigan, William Loring, Douglas Wilkerson, and William Whitmore, executive committee. Mr. Hugh Tibbetts served as faculty adviser.

## **VARSITY FOOTBALL**

As Deering rooters know, it takes much more than fight and a fine coach to make a winning football team. This year's squad, under the watchful eye of Nat Crowley, had a fight and a fine coach, but it lacked the depth and experience necessary for a winning team. At the first practice session early in September, Coach Crowley found only three gridsters who had played regularly last season and only a dozen who had had sufficient experience to warrant consideration. A tremendous task lay ahead of the coaching Staff if it was to turn out a team worthy of the school's support for the game with arch rival Portland. Mr. Crowley and his assistants went down to tought Portland by a rugged 19-0 win. The team was not discouraged, but they began to be so after close losses to Cheverus and Lewiston by 6-2 and 12-0 scores respectively. It was then that this determined Ram squad, thirty point underdogs, forced mighty So. Portland, state champions, to accept a fluky 6-0 win. Rejuvenated, Deering stormed into Auburn with their best offensive strike of the season, but we lost the hectic tussle 40-27 because of a faulty defense. After this mid-season clash, Coach Crowley had the extreme misfortune of losing five starting players. For this reason and the fact that we had few replacements, we lost to Sanford 18-6; Thornton 21-0; St. Louis 28-6; and finally to Portland Thanksgiving Day 19-6.

In spite of a dismal season, students should realize that Coach Crowley did the best possible job with the material he had. The Seniors who deserve an encouraging word are co-captains Pete Peterson and Charlie Kilbride, Herm Elston, Ted Stuart, Dana Leavitt, and Ced Porter. Backs include Bob Gardiner, Bob Roast, Don Sturdivant, and Les Peterson. Next year's team looks good because Deering will have fifteen varsity men returning. Those to watch will be linemen Jim Smaha, Herb Charmichael, Sewell Miller, Bud Young, and Sam DiPhilippo; and backs John Andrew, Dick Nutting, Bill Woolridge, and Fletcher Means. With Coach Crowley at the reins of this club next year, Deering followers may see their team take the state championship.

Congratulations to Pete Peterson for winning the Sons of Italy trophy for outstanding play in the Thanksgiving game and also to Herman Elston for receiving scholarship offers from Bates and the University of Maine.

DEERING VS.  
PORTLAND

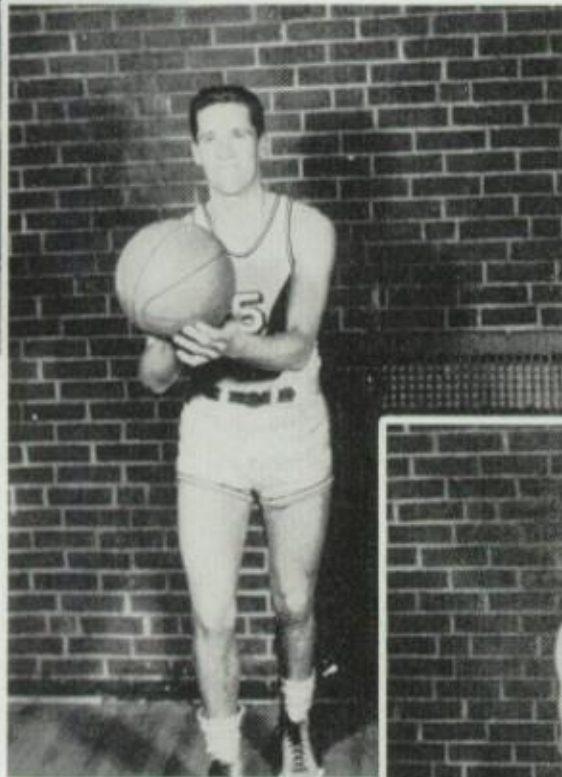

The first game, against Portland, our arch rival, was a bruiser as a 0-0 score signifies. This score can probably be explained by inexperience on both sides. The next week a fast shifty South Portland combine pinned our ears back 0-19, but we retaliated with our first win a week later against a big, heavy Lewiston machine. The score was 7-0. In our second game with Portland, our line did not fare as well as it had in the first, and we lost a close one in a rugged battle 7-13. The last game of the brief Freshman season was the best from our point of view. We out-hustled the cocky South Portland juggernaut and tacked a 13-6 loss on the Red Riot. It was a satisfying win for our underdog Freshman team, and a credit to the prowess of Coach Manley.

## VARSITY BASKETBALL

Deering's coach, "Tubby" Washburn, during his two years as basketball mentor, has very successfully schooled his boys in a style of basketball that nearly reaches professional dimensions. This year's squad was an example of well drilled, well conditioned unit trained in the advanced technicalities of basketball. Unfortunately, the team did not have the success that it hoped for, but Deering fans must agree that they watched one of the better basketball clubs of Deering's recent history perform this past season.

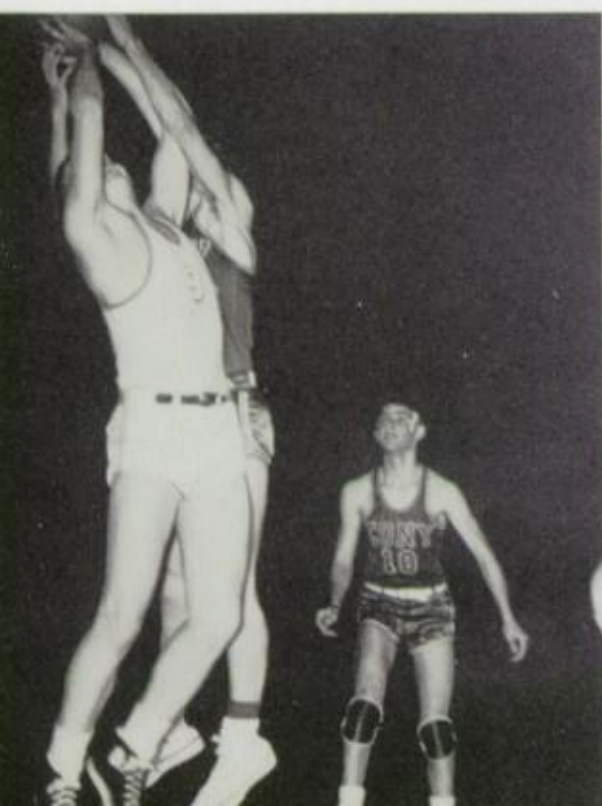

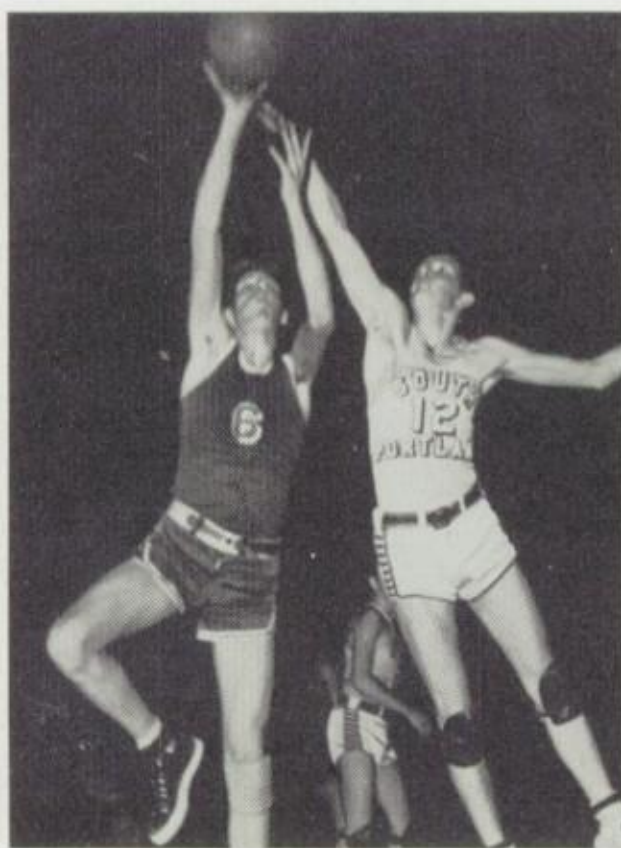

In early October, coach Washburn called out a special, hand-picked squad of last year's veterans. Co-captains Dulac and Whitmore were flanked by Ted Kurtz, Bob Johnson, Norm Bomberly, Lau Kindbom, and Dave Goodwin. Bill Woolridge, Jim Smaha, Jack Reynolds, and Bob Roase joined the squad after football. These basketekers underwent a stiff training schedule in preparation for the first game. Deering started its season with four quick wins, one a thriller with Thornton 49-48. We suffered our first loss at the hands of a strong Presque Isle club but snapped back the next night against Houlton 51-37; After a disastorous game with Westbrook, we conquered Rockland 42-41; Biddeford 52-36; lost to Cheverus 39-48; beat Edward Little 61-56; and squeaked by Houlton 62-61. It was after this strenuous win over Houlton that Deering began to sag. The next night, Waterville bumped the weary Rams 50-57. From that discouraging night on, we lost to Bowdoin Freshman, So. Portland, Rumford, Portland, Cheverus, Westbrook and So. Portland again, in that order.

The first So. Portland game, which we lost 58-59 was the best played game of the season. Deering looked professionally sharp as Bill Whitmore, Freeman Dulac, and Bob Johnson all started. The game was decided in the last thirty seconds by a lucky So. Portland break, and Deering lost a game that might have put them back in the winning column.

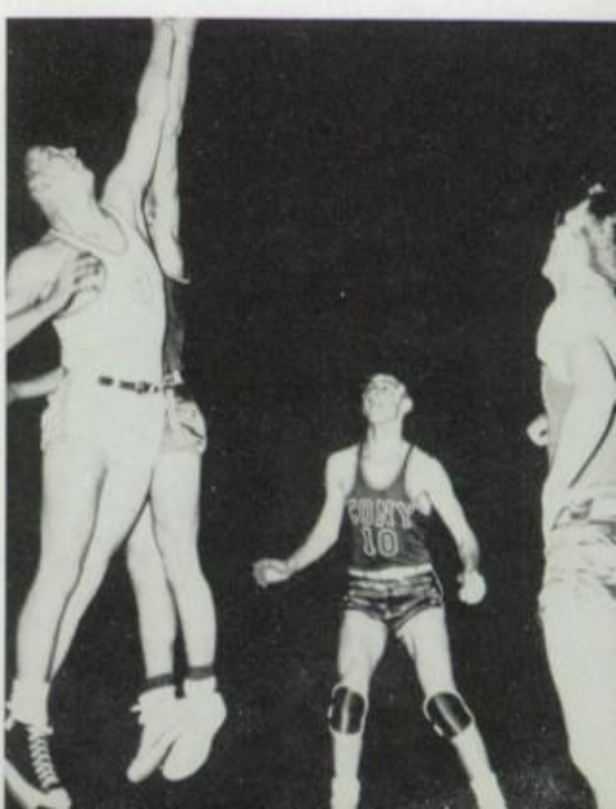

Co-captains Whitmore and Dulac were responsible for much of the teams zip and drive, for who can forget Bill's uncanny accuracy from outside or Skin's twisting, driving lay-ups. Other Seniors who will be missed are tall Norm Bomberly and Lean Lau Kindbom. Next year's team looks good with Kurtz, Johnson, Woolridge, Smaha, Goodwin, and Reynolds all returning. Good luck to coach Washburn and incidently, much thanks to manager Bill Loring for a job well done.

## J.V. & FRESHMEN BASKETBALL

The function of the Freshmen and Junior Varsity basketball clubs is to develop talent for future varsity squads. Mr. Ham's and later M. Speir's freshmen club start slowly but picked up momentum as the season progressed. The final result of this late start was first place in the P.B.C. Freshmen League. Deeringites, beside Mr. Ham and Mr. Speirs Deering alumnus who deserve credit for this achievement, were Phil Candelmo, Ron Wheeler, Dick Gelinas, Mike Stockwell and manager Bill Miller.

The J.V. team under Mr. Smith, was not as successful as its Freshman counterpart, but managed to win more games than it lost. Coach Smith's objective was to beat each team at least once, and he came very close to keeping his word. Those who gained valuable experience this year were Sonny Gamble, Dick Nutting, Carl Shibles, Herb "Star Dust" Charmichael, Dan Harmon, and Chase Rand. Overseer of the basketball Squads was manager Tristham Pearson.

# BOWLING TEAM

# SWIMMING TEAM

# CROSS COUNTRY & TRACK

Deering's cross country team was the best in many years, for its record this year was five wins and one loss. This one loss occurred in a close meet with Portland. The wins include victories over Lincoln and Traip Academies, York, Rockland, and the Bates Freshmen. Consistent winner was Will Ware who helped Deering to third place at the state meet by taking eighth place himself. Other long-winders who strengthened this year's team were John Honan, Lou Dyer, and Nels Haynes, Seniors; and Bruce Allen, Bob Pratt, and Dave Vaughn, Juniors. With some school support, next season's team looks every bit as good as this season's.

Because of the lack of support from the Deering males, Coach Harvell was forced to use his small cross country squad to wear the spikes of his indoor track squad. For this reason in lack of depth, Deering has suffered indoor track defeats at the hands of So. Portland, Portland, and the Bates Freshmen. The one victory garnered by our track squad was an 89-61 win over Cheverus. Deeringites responsible for this win were Will Ware, John Honan, Dave Hagar, Don Burwell, Bob Pratt, and Dave Vaughn. With a few more men like these, Coach Harvell could have a championship track team. Why not try next year?

# SKI CLUB

Andrew, Webb, Stubbs, Ervin, Switzer

—And Santa, will you please ask Saint Pete to send us some snow so we can go skiing at Dyke? (Dyke is our Ski Club form of Dyke Mountain you know, and Saint Pete is the guy who has charge of all such things as distribution of snow, so you can see he is pretty important). Well, it seems that Santa thought we had been a pretty good bunch of kids, of course there are a few exceptions, but on the whole we had been behaving ourselves pretty well—so we decided to use our influence on Saint Pete, who in turn must have had an attack of conscience for his stinginess with snow in previous years. Anyway, the white stuff fell, plenty of it, and believe me, we didn't waste it.

We have a lot of fun at Dyke, both in the winter when we ski there and in the spring and fall when we go up to work on the property. Another spring and fall activity is mountain climbing.

Mr. Charles Peters supervised the trips this year, and deserves a lot of credit for giving up his weekends to a bunch of clowns. Keeping him company in agony, were instructors Mr. and Mrs. Avon Hilton whose expert advice was a big help toward better skiing form.

Those who devoted all their spare time to calling meetings of the club, so that they could issue forth with their finest oratory (they call themselves directors) were John Andrew, director of competition, trails and cabins; Dave Switzer, director of trips; Dave Webb, treasurer; Judy Ervin, secretary; and Gretchen Stubbs, director of membership and instruction.

The Ski Club sponsors a boy's racing team consisting of Dave Switzer, Dave Webb, John Andrew, Arthur Clark and Dave Taylor, and a girls' team of Carol Fletcher, Floppy Hildreth, Judy Ervin, Gretchen Stubbs, and Martha Andrew. These and a lot more go to make up the Deering High School Ski Club. You'll have to look a long way before you'll find a group that has more fun.

# CHEERLEADERS

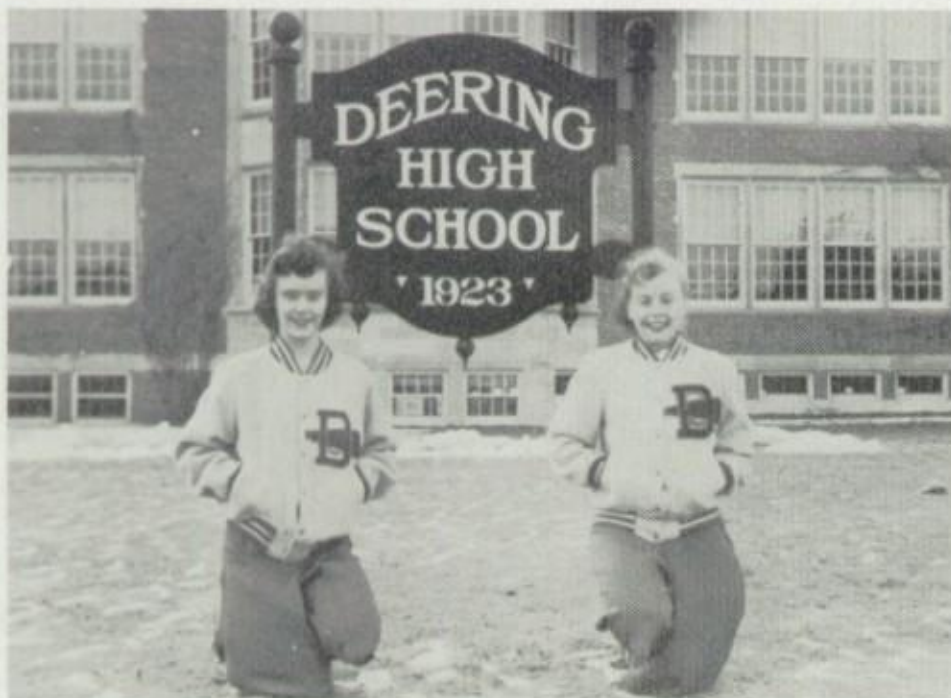

The Cheerleaders of 1952 have accomplished a great deal this year in the face of many difficulties. Those who may have claimed that the squad performed inadequately, will, I am sure change their attitude now. Under the competent direction of Bruce Henderson, head cheerleader, they have formed a Junior Varsity Cheering Squad, the first of its kind at Deering. In the fall, a huge bon-fire rally was held which was the first demonstration of that sort in many years. Furthermore, they have introduced an Annual Banquet for cheerleaders during which all the athletic coaches are honored. Not only have they cheered energetically at every game, but they have introduced several original and peppy cheers.

The seniors on this squad include Bruce Henderson, Dave Webb, Diane Simpson, Carol Thompson, and Jackie Halle.

The juniors who will return next year are Audrey Hauggard, Karen Thorsell, Jean Hastings, Merle Royte, Sally Neilson, and Margie Panetti.

The substitutes include Judy Tuttle and Karen Thorsell.

# GIRLS' FIELD HOCKEY

With the coming of fall, the girls' hockey season opened with the Deering teams playing hostess to the state field day. This event, a series of round robins, was followed by an exhibition game by the Boston University Hockey Association here on our field. Off to a fine start, co-captained by Carol Fletcher and Ann Feehan, the girls rolled through a successful schedule to come out undefeated with a total of thirty-five goals to their opponents' seven. The varsity had one tie against Cony, while the Cony team was responsible for the Junior Varsity's defeat. Rita Ramsay and Marilyn Simpson were at the J.V. helm and Carol and Rita were high scorers for their respective teams. All in all it was a fine season. Teamwork has established a fine record for the girls.

# GIRLS' BASKETBALL

For the fifth consecutive year the Deering High girls finished their basketball season *undefeated*. Although several of the games were close thrillers, the varsity rolled up a nine game win record, scoring a total of 512 points to their opponents' 411. Under the capable coaching of Miss Piacentini, and led by co-captains Joanne Levine and Sylvia Mardigan, their average score per game was 58.8. The varsity team found its toughest competition in South Portland who came within three points of the winners in both games. Joanne Levine was high scorer for the squad with 186 points while Carol Fletcher ran a close second with 157 points. Diane Simpson's speed and Gail Harding's height were also invaluable assets. The guard section which also proved outstanding was made up of Sylvia Mardigan, Anne Feehan, Judy Gulian, and Janet Kimball.

The Jayvee team co-captained by Jan Richardson and Dot Bradstreet with eight victories was also undefeated. The squad played the same teams as the varsity with the exception of Westbrook Junior. They had a total of 357 points to their opponents' 209.

The frosh team racked up a record of three wins and one loss, showing improvement all the way. Their co-captains were Grace Johnson and Diane Watson.

# GIRLS' RIDING

The Riding Club is a source of pleasure for girls who want to learn safety in pleasure riding, expert ability in show riding, intricate team work in drilling, and the qualifications for instructing.

Holding the reins this year are Bobby Lanigan, President; assisted by Marilyn Levine, Vice President; Dorcas Frost, Secretary; and Ann Mathieu, Treasurer. Comprising the executive committee are Carol Putman, Anne Littlefield, Betty Winslow, and Judy Butler.

Meeting at the Tomlinson's Riding School, on Friday afternoons, the club usually holds a one-hour trial ride with refreshments served afterwards in the clubhouse. Special rides are often held, especially during vacations.

The most important event of the year is the Annual Horse Show to be held in June, for which the girls are already preparing. The fact that the club membership is largely under-classmen shows the growing interest in this organization of sociability on the wooded trails, and in the friendly, cozy clubhouse.

## LAST WILL AND TESTAMENT

We, the class of 1952, declaring ourselves to be completely insane and loyal Sturdley Rooters do hereby declare this to be our last Will and Testament.

1. Sno-Queen, Diane Simpson, leaves her crown to anyone as deserving as she was.
2. Miss Hueston's fifth period English class tearfully leave 114.
3. Jerry Carp leaves his 2000 word theme, which turned out to be 5000, to Miss Hueston for framing.
4. Leanne Hawkes and Nancy Packard leave their talents to Audrey Haugaard and Karen Thorsell.

# AMETHYST APPRECIATIONS

TO:

Judy Strout for those long hours of helpful hints.

Mr. Hawkes for always getting those last minute pictures to me. Pete Lekouses and Jimmy Gibson, Student Photographers, certainly deserve many, many thanks.

The entire Editorial Board: Jackie Halle and Judy Tuttle on the Senior Section; Janet Kimball and Newt Churchill on Sports; Alvin Morrison, June Halberts, and Judy Ervin on Circulation; Mary Lou Splane on Activities; Betsy French on Advertising; and to their staffs for a terrific job.

Val McMennamin who made all the drawings in this book plus ever so much more.

Ann Crosby for typing every single word in the book.

George Crockett, a great guy with the willingness to do anything no matter how small or how large.

My mother for her numerous hints and her putting up with me and my staff in the many long and hard hours at her home.

Thanks everybody for a wonderful job.

Bruce

This is the second year we have had the book material in on time. We met all our deadline dates, the 19th of Dec., Jan., Feb. and March. The last copy, 13 pages, went in on the 15th of March.

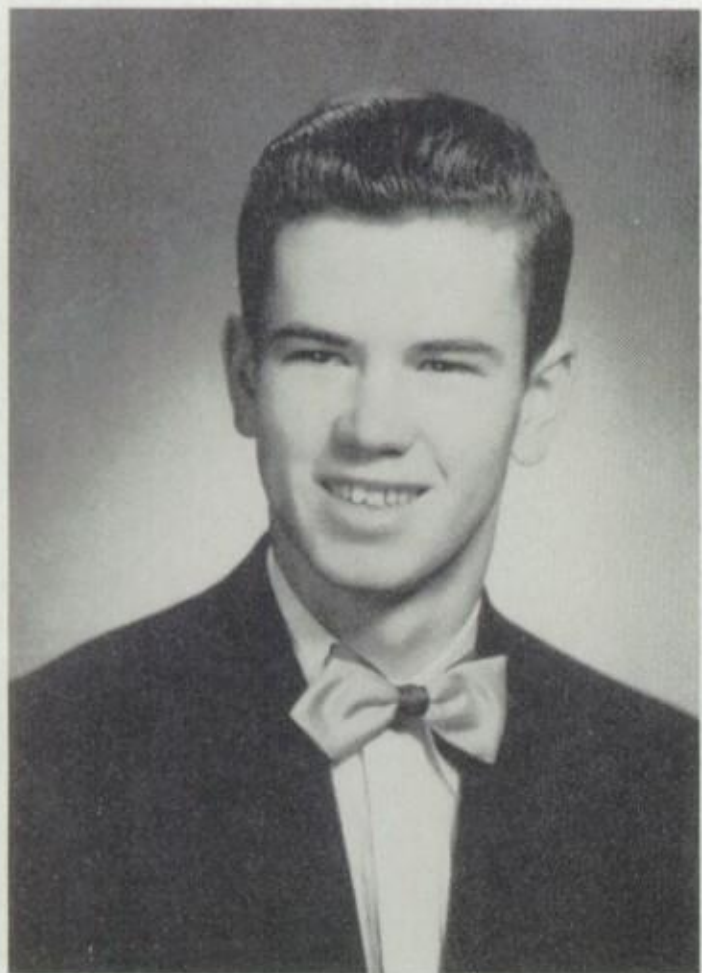

Five days prior to each deadline we had the material in the mail and if you readers think that is an easy accomplishment I suggest that you come out for Amethyst work and be educated in the art of rushing and pushing.

No adviser can rush and push a book into publication without an editor to slave and perspire his way to success. This was due to characteristics which I consider to be the mark of an excellent editor; that is, punctuality, reliability, ability, and imagination. This was Bruce.

If the book is late, and it should be here by June 6, you must put the blame on someone else.

Mr. Elliott

# THE EDITOR'S LAST WORDS

In the past years, various editors have stated that every editor wishes to accomplish two things: first of all, to produce a book containing something of importance to every student and second, to thank all who aided in making the publication possible.

The book is before you to decide the first, but as for the second I would like to pay tribute to those, who without their cooperation, a year-book such as ours could not have been published.

First of all I would like to thank our printer, The American Yearbook Company, and their super salesman Mr. Doran for their letters of advice and encouragement.

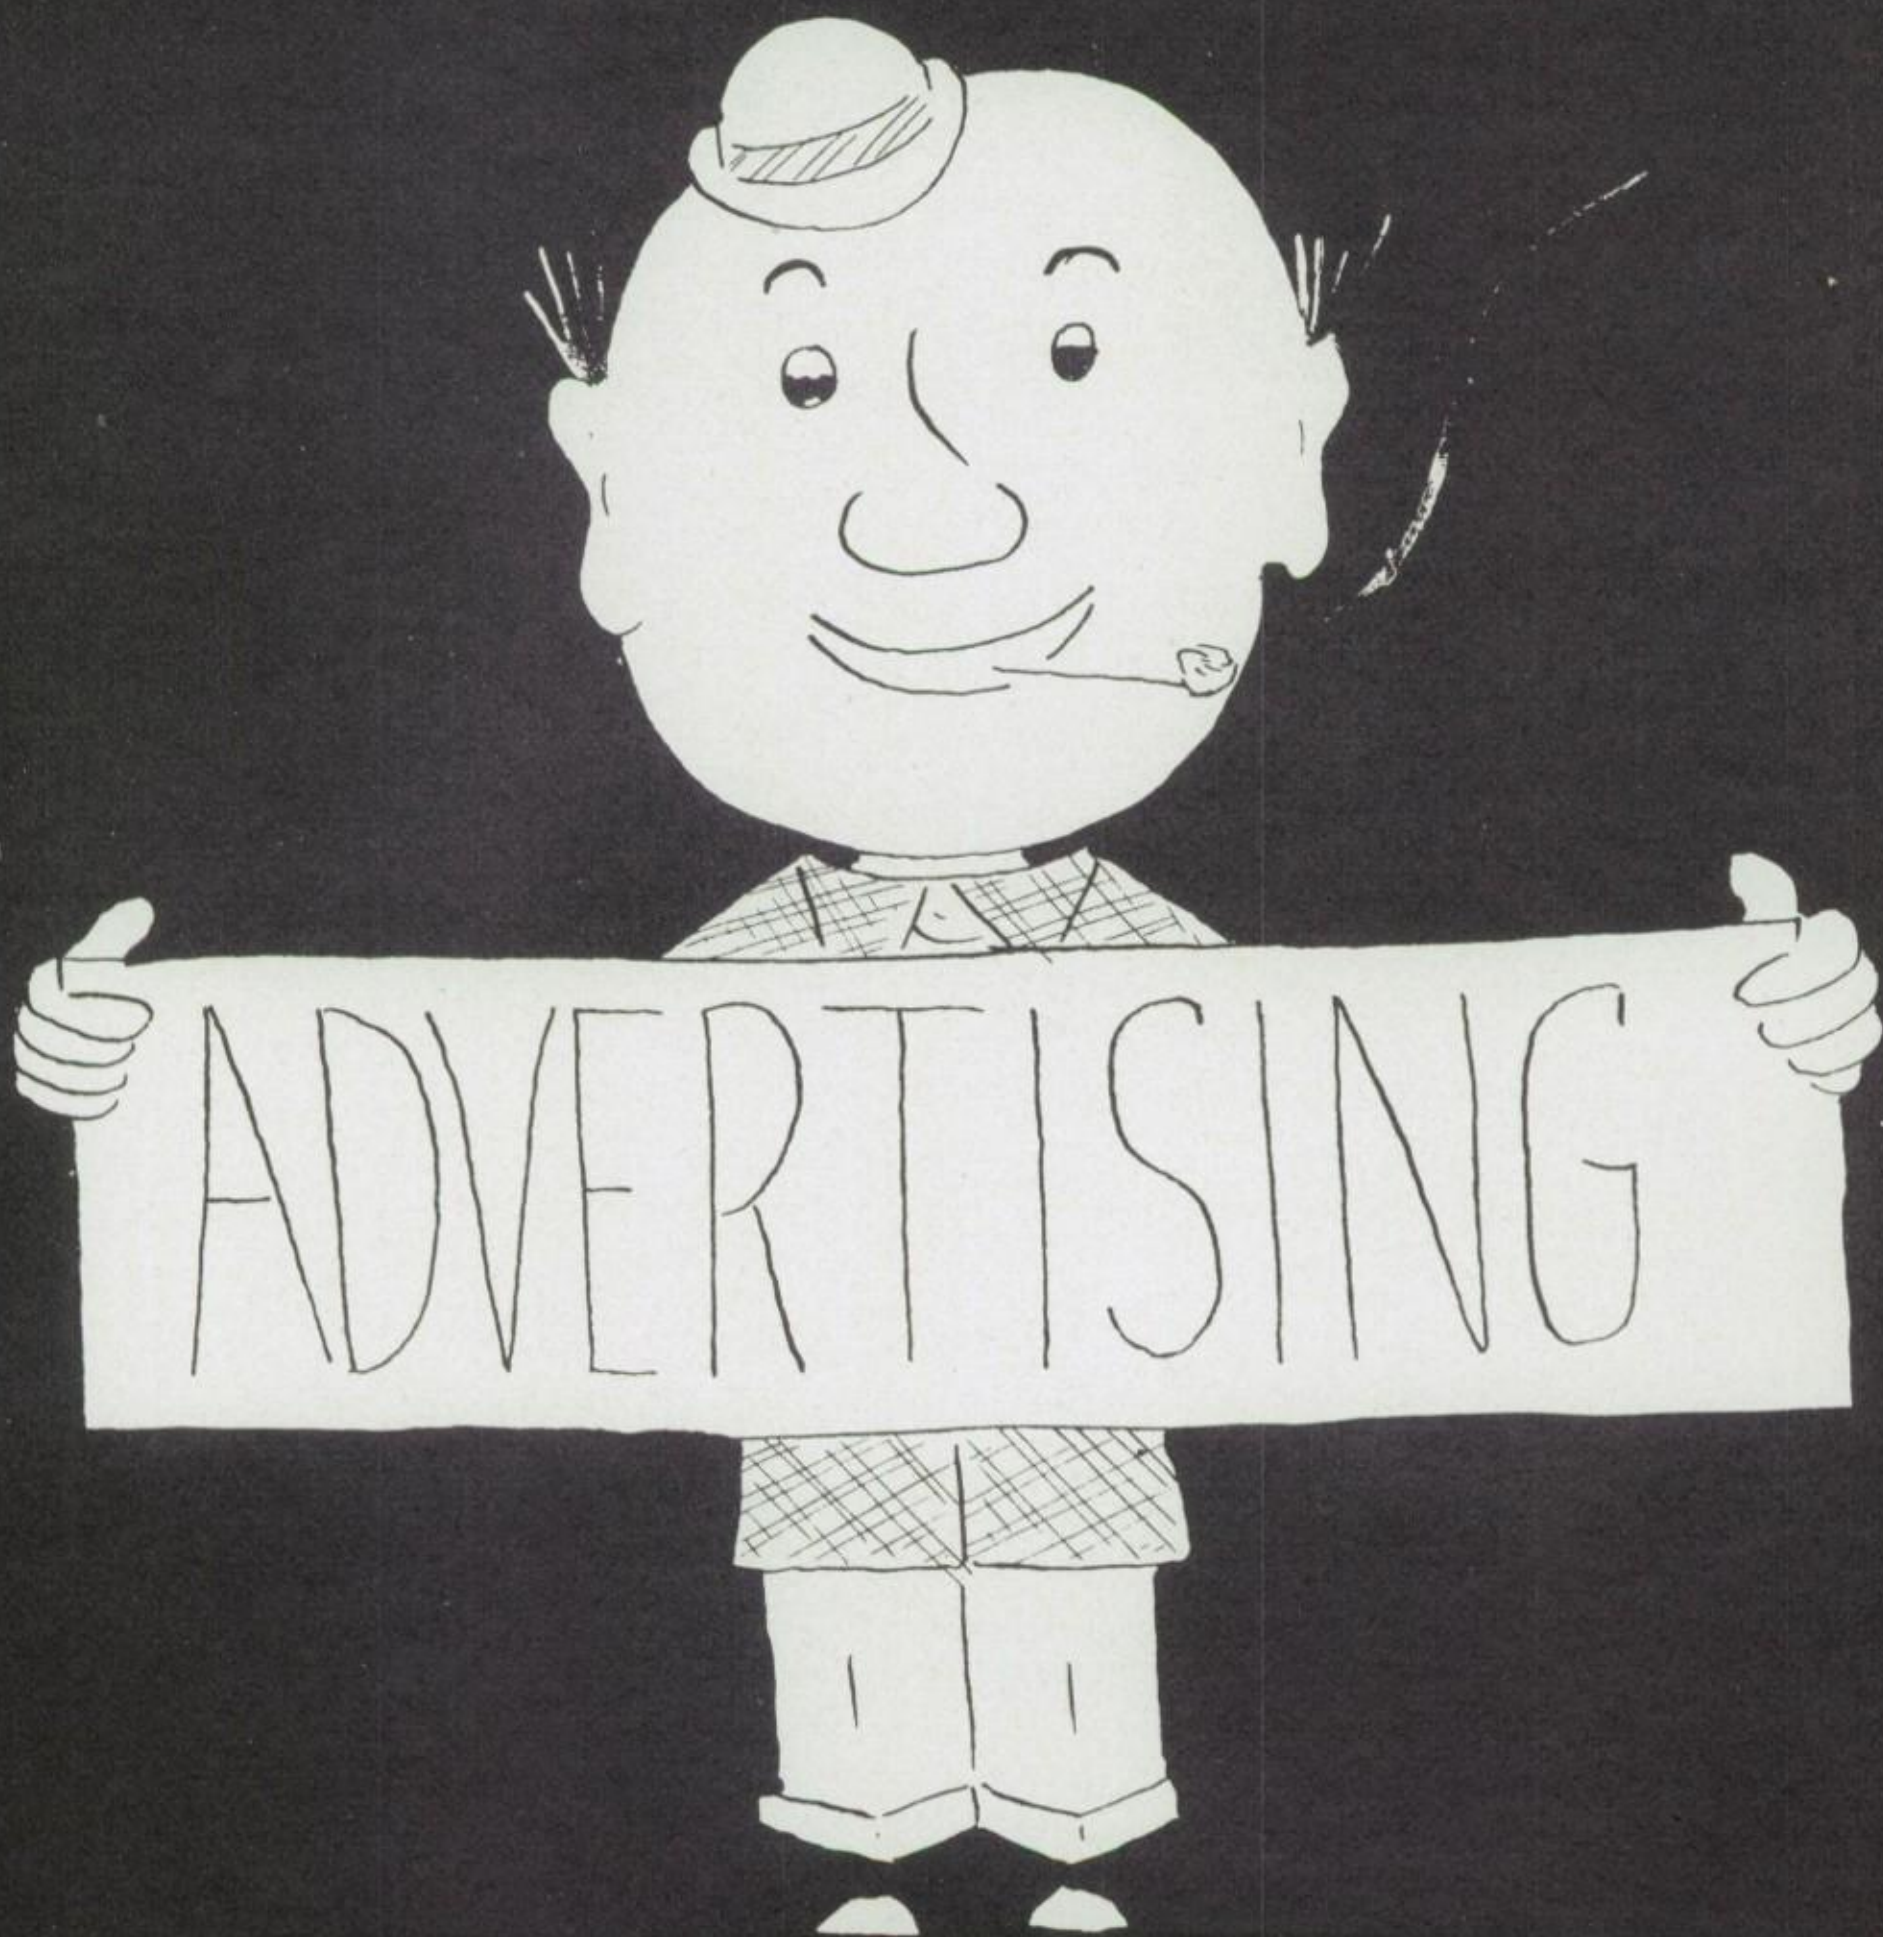

My gratitude also goes to the photographic studios for getting their glossy prints into us on time.

Last, but by far not least, my many thanks to Mr. Young who never tired of flashing those last minute notices over the P. A. System, and Mr. Elliott, my adviser, teacher, and friend. Mr. Elliott never seemed disgusted with my many last minute changes, (such as deciding upon a padded cover just before the last dead line), fantastic ideas, and my running in and out of his classes no matter what time of day it might be. When stumped or confused, Mr. Elliott was always there. (Word by Adviser, "still stumped and confused".)

I wish also at this time to thank all the teachers who helped in one way or another to complete this book.

Bruce N. Henderson  
Editor-in-Chief
